OBJECTIVES

It is the purpose of West Virginia Wesleyan College to be a Christian college of liberal arts in the sense that its total program is motivated by Christian ideals and principles, and is directed toward the development of competent, cultured, Christian persons.

The College seeks to help each student, in the light of his individual abilities, interests, and needs, to become such a person by attaining the following specific objectives:

1. Ability and disposition to read the English langauge with understanding, and to speak and write it correctly and effectively. (Stressed in total program, and particularly in composition and speech.)

2. Ability and disposition to think clearly, objectively, independently, and constructively. (Stressed in total program, and particularly in mathematics, natural and social sciences, and philosophy.)

3. Ability and disposition to order one's own life in such fashion as to realize the highest possible degree of health and efficiency of both body and mind. (Stressed in total program, and particularly in physical education and psychology.)

4. A broad orientation in the liberal arts, — some understanding and appreciation of the content and value of the main fields of learning and of the major problems of human life. (Stressed particularly, but not exclusively, in required courses in general education. See General Education.)

5. Sufficient concentration in some field, or fields, to constitute adequate preparation for graduate study or immediate entrance into some well considered vocation. Through its program of testing and guidance the College undertakes to help the student to choose wisely his vocation or profession. Through its instructional program it undertakes to help him acquire the knowledge and develop

the skills essential to success in his chosen field. (Stressed particularly in courses constituting the student's major and minor, and in the guidance program.)

6. Understanding, appreciation, and experience of the Christian religion, — development and practice of a Christian philosophy of life. (Stressed in total program, and particularly in courses in Bible, philosophy, and religion, in college chapel, in student organizations of a religious character, and in participation in life of local churches.)

7. Ability and disposition to be a good citizen, — to participate in, and assume leadership in, socially constructive organizations and activities; and to foster extension of democracy and development of a worthy cosmopolitanism. (Stressed in total program, and particularly in student participation in government, student organizations, and extracurricular activities.)

The College attempts to help its students toward these objectives in the following ways:

1. By providing a faculty of capable teachers of substantial Christian influence.

2. By providing a program of individual guidance designed to help each student make the best possible use of his talents, time, and opportunities. (See Testing Program, Counseling.)

3. By constantly restudying both its own objectives and procedures in order to improve them, and the needs of its students in order to meet them more fully.

ACCELERATED PROGRAM

West Virginia Wesleyan College affords students an opportunity to complete their studies in as short a time as may be consonant with thoroughness. Many students, especially veterans and others whose studies have been interrupted or delayed, welcome a soundly accelerated program.

By offering two 16-week semesters and two 6-week summer terms annually, West Virginia Wesleyan College

makes it possible for a student to earn from 44 to 48 semester hours of credit per year, and to complete a degree course in three years or less.

Freshmen are admitted at the beginning of any semester or summer term. Students entering on May 31, 1954, and pursuing successfully an accelerated program, will be graduated in January or May, 1957; those entering September 10, 1954 will be graduated in May or August, 1957; and those entering January 24, 1955 will be graduated in August, 1957 or January, 1958, depending in each instance upon the degree of acceleration at which the student concerned can successfully pursue his studies.

It is optional with the student whether he pursues the accelerated program or the regular 4-year program. Successful pursuit of the accelerated program will call for sustained and concentrated study.

The accelerated program is in every respect equivalent to the regular 4-year program. Acceleration is accomplished by the elimination of the long summer vacations which feature the 4-year program, and in the case of the exceptionally capable student by increasing his semester load by one or two semester hours beyond the normal registration. (See Student Load.)

LOCATION

West Virginia Wesleyan College is located in Buckhannon, a city of about 6,000 inhabitants, near the geographical center of West Virginia. The Baltimore and Ohio Railroad, several bus lines, and national and state highways (U. S. 33 and 119, W. Va. 4 and 20) make West Virginia Wesleyan College easily accessible from all directions.

The fifty acre campus, which fronts on College Avenue between East Main and Meade streets, is shaded and beautified by a grove of native oaks and hundreds of other trees and shrubs planted by the founders and friends of the institution. The beauty of the campus is still further enhanced by its larger setting, the scenic foothills of the Alleghenies.

HISTORY

West Virginia Wesleyan College was founded in 1890 by the West Virginia Conference of The Methodist Episcopal Church under the title of The West Virginia Conference Seminary.

The founding and development of West Virginia Wesleyan College marked the successful culmination of the vigorous and persistent educational efforts of Methodists in what is now West Virginia. Earlier schools established here, and operated for a time, by Methodists during the nineteenth century included The Mt. Hebron School (later Marshall Academy, and now Marshall College), Asbury Academy (at Parkersburg), The Northwestern Virginia Academy (at Clarksburg), and The Fairmont Male and Female Seminary. But by the end of the Civil War period Methodists in West Virginia found themselves without a school. Marshall had become a state institution, and the others had ceased to function.

In 1886 the West Virginia Conference of the Methodist Episcopal Church organized the Board of Trustees of the West Virginia Conference Seminary, and instructed this Board to secure a charter, and select a location, for the proposed Seminary. Buckhannon was chosen as the site of the new school, a building was erected, and the first term was opened in September, 1890.

For fourteen years the West Virginia Conference Seminary operated as an academy, or preparatory school. In 1904, however, it became an institution of collegiate rank, known since as West Virginia Wesleyan College. For more than a decade after 1904 the College offered courses on both the academic and college levels, but due to the rapid rise of public high schools the academic phase of the curriculum rapidly diminished and soon disappeared.

In 1941 the West Virginia Conference of the Methodist Church, constituted by the unification of the Methodist Episcopal Church, The Methodist Episcopal Church, South,

and The Methodist Protestant Church, ordered that West Virginia Wesleyan College should be the only educational institution to be operated under its auspices. (By this action Morris Harvey College, owned and operated since 1889 by the Methodist Episcopal Church, South, acquired independent status.)

Throughout her history West Virginia Wesleyan College has sought to serve faithfully the Church to which she owes her existence, the nation, and the world, — by helping her students to synthesize scholarship and Christianity in the good life.[1]

More than 1,000 volumes are added annually. The library subscribes to more than 225 carefully selected periodicals.

The aim of the library is to provide all books and periodicals needed by faculty and students for reference, research, and recreational reading. The College accepts and observes the principle that a good collection of books and periodicals, and an efficiently administered library service, are essential to an adequate educational program.

OLD MUSIC HALL

The Old Music Hall is a three-story brick building, which, since being vacated by the Department of Music, contains classrooms and offices.

GYMNASIUM

The Gymnasium houses the department of Physical Education and the College Dining Room.

Dining facilities are provided in Agnes Howard Hall for students residing there. For students living in other residence halls, dining facilities are provided in the College Dining Room. Boarding elsewhere is not permitted.

College women, and freshman men, not living at home are required to live in College residence halls. Under very extraordinary circumstances the Administration Committee may authorize an exception to this rule.

All students living in College residence halls are required to make a security deposit of $25.00 for a semester or $15.00 for a summer term, which will be refunded at termination of residence, less deductions for any damages done college property.

Students desiring accommodations in College residence halls should make reservations as early as possible. In order to obtain a reservation it is necessary for a student in residence, or a former student approved for readmission, to file an application for a reservation and pay the required deposit. An applicant for admission must submit a complete application for admission with his request for a reservation and his deposit of $25.00 for a semester, or $15.00 for a summer term. This deposit will be held as a security deposit, as above, until termination of residence, and will also serve as required deposit for renewal of reservation from year to year.

For schedule of charges, see Expenses.

RELIGIOUS LIFE

West Virginia Wesleyan College is deeply committed to the Christian way of life. The faculty is made up of Christian men and women. The student body represents various Christian churches. Each student is expected and urged to attend the church of his choice. Many students while in residence at Wesleyan unite with local churches, by transferring their membership. Students participate in the activities of local churches, rendering excellent service, and developing skill and proficiency in Christian work.

A religious service is conducted each Thursday evening under the auspices of the Community Council Committee on Religious Activities.

A number of students do field work each summer in the churches of the state.

Wesleyan ministerial students regularly serve several Methodist churches in the vicinity of the College.

Of the 467 students in residence during the first semester of 1953-1954, seventy-nine were preparing for the work of the Christian ministry, and twenty-seven others were preparing for careers in Religious Education.

CHAPEL AND ASSEMBLY

Chapel services are conducted on Tuesdays at 11:00 o'clock. Assemblies convene on Thursdays at 11:00 o'clock. Attendance at both is required. (See Attendance Regulations.)

Assembly programs are diversified in character, and are always in keeping with the spirit and purpose of the College.

Chapel services are dignified worship services, featuring sacred music, liturgies, and sermons.

The following eminent religious leaders have contributed in recent years to the enrichment of our chapel

services: Frank T. Cartright, Henry Hitt Crane, W. J. Davidson, Albert E. Day, Sherwood Eddy, Fred D. Gealy, John O. Gross, Elmer A. Leslie, Edwin Lewis, Rabbi George B. Lieberman, Boyd M. 1. An application for admission, and a personal data report, on forms furnished by the College.

2. A transcript of high school record showing courses pursued, grades earned, credits amounting to at least 16 units (earned in grades 9 to 12), and a clear statement of applicant's standing in his graduating class (e.g., Third, in order of highest to lowest, in a graduating class of 141.)

3. A satisfactory health history and health certificate, on forms furnished by the College.

4. Two satisfactory personal recommendations, on forms furnished by the College, preferably by applicant's pastor and his principal or one of his teachers. Recommendations by other responsible persons may be accepted.

Graduates of accredited high schools who do not stand in the upper half of their graduating classes, and graduates of non-accredited high schools, may apply for admission, as above, and may be admitted if they demonstrate on such tests as the College may prescribe satisfactory ability and achievement. In such cases, the applicant, if approved, is admitted tentatively. If he maintains a satisfactory record for the period for which he is tentatively admitted, he is

then granted regular standing; otherwise, his enrollment is terminated.

The College reserves the right to refuse to admit any person, who, because of low scholarship, or for any other reason, is in the judgment of the Committee on Admission deemed unlikely to conform to the standards and ideals the College seeks to maintain.

Forms for use by applicants for admission may be obtained by addressing the Director of Admissions.

ADMISSION BY EXAMINATION

West Virginia Wesleyan College will admit to freshman standing, subject to the reservation in the preceding section, persons who, without having completed a high school education, have served in the United States Armed Forces; who demonstrate by their performance on such tests as the College may prescribe that they have acquired the equivalent of a general high school education, or that they are as able to pursue a program of general education at the college level as freshmen admitted under the preceding section; and who present to the Committee on Admission items 1, 3, 4, and 5 in the preceding section, together with a transcript of any high school credits earned.

The College will also admit non-veterans above high school age who qualify for freshman standing under the conditions of the preceding paragraph.

Interested persons should address the Director of Admissions.

ADMISSION TO ADVANCED STANDING BY TRANSFER

Persons transferring from other accredited institutions of collegiate rank may be admitted to advanced standing in West Virginia Wesleyan College upon presentation of the following items to the Committee on Admission:

1. An application for admission, and a personal data report, on forms furnished by the College.

2. A certificate of good standing in, and honorable dismissal from, the institution(s) previously attended.

3. An official transcript of credits earned at the institution previously attended, showing entrance credits accepted and results of standard tests administered.

4. A satisfactory health history and health certificate, on forms furnished by the College.

5. Two satisfactory personal recommendations, on forms furnished by the College, preferably by applicant's pastor and his dean or one of his teachers. Recommendations by other responsible persons may be accepted.

6. A matriculation charge of $5.00. This charge, to be paid by each applicant for admission, will not under any circumstances be refunded.

Credit for courses taken in non-accredited institutions will be determined by the Committee on Admission and Academic Standing. This committee may require the person desiring credit for such courses to take a series of examinations to demonstrate satisfactory mastery of courses for which credit is sought.

West Virginia Wesleyan College will, as a general rule, accept no transfer credits with grades below "average,"—that is, below C, or its equivalent.

West Virginia Wesleyan College will not accept more than sixty-four semester hours of credit from a junior college.

West Virginia Wesleyan College will not accept by transfer credits earned per semester in excess of the number of credits students in residence are permitted to earn. (See Student Load.)

PROVISIONAL ADMISSION

Late applicants for admission who for any good reason can not submit prior to date of registration one or more of the required documents may be accorded the courtesy of provisional admission, — provided, that each student accorded this courtesy shall submit in satisfactory form all

documents required, as above, within the first three weeks following said date of registration, or be suspended, except when an extension of time is granted by the Committee on Admission and Academic Standing.

READMISSION

West Virginia Wesleyan College will readmit former students who were in good standing at the time of withdrawal; who submit applications for readmission, on form furnished by the college; and who file complete official transcripts of records established at other institutions of higher learning, if any were attended, showing that they were in good standing at, and entitled to honorable dismissal from, said institutions.

CREDIT FOR EDUCATIONAL EXPERIENCE GAINED IN ARMED SERVICES

West Virginia Wesleyan College will grant credit as follows for educational experience gained in the armed services:

1. Basic Training: Credit not to exceed 4 semester hours in required courses in general physical education will be granted students who present evidence that they have completed successfully any of the basic or recruit training courses in the armed services.

2. Academic Subjects. Appropriate credit will be granted students who demonstrate by their performance on such tests as the College may prescribe that they have achieved a satisfactory degree of mastery of any subject (e.g., mathematics, physics, foreign language, etc.) for which college credit is ordinarily given. (See Credit by Examination.)

3. Technical and Vocational Subjects. Appropriate credit, in an amount not to exceed that recommended in the *Guide to the Evaluation of Educational Experiences in the Armed Services,* will be granted students who demonstrate by their performance on such tests as the College

may prescribe that they have achieved a satisfactory degree of mastery of any technical or vocational subject for which the College regularly grants credit.

4. Army Specialized and Naval College Training Programs. Appropriate credit will be granted students who have successfully pursued Army Specialized and Navy College Training Programs carried on by colleges and universities upon receipt of an official transcript from the institution at which the program was pursued, indicating the content, level, and credit value of each course listed in terms of courses in the regular civilian curricula of that institution.

5. Correspondence Courses Given by Colleges and Universities. Credit will be granted students who have successfully completed correspondence courses given by recognized colleges or universities cooperating with the USAFI, upon receipt of official transcripts.

6. Correspondence Courses Offered by the USAFI, the Marine Corps Institute, or the Coast Guard Institute. Appropriate credit will be granted students who demonstrate by their performance on such tests as the College may prescribe that they have achieved a satisfactory degree of mastery of correspondence courses offered on the college level by the USAFI, the Marine Corps Institute, or the Coast Guard Institute.

In granting credit under these regulations, no duplication of credit will be allowed, and no fractional credits other than one-half will be allowed.

All grants of credit for educational experiences gained in the armed services must be made by the Committee on Academic Standing.

Credit for educational experience gained in the armed services will be recorded by West Virginia Wesleyan College only for persons who have been, or are, regularly enrolled therein.

Interested persons should consult the Dean of the College.

CREDIT BY EXAMINATION

West Virginia Wesleyan College will grant appropriate credit to persons who are, or have been, regularly enrolled students, and who demonstrate by their performance on such tests as the College may prescribe that they have acquired a satisfactory degree of mastery of any subject for which the College regularly grants credit, subject to the following regulations:

Only students who have been in residence for at least one semester may apply for an examination to establish credit.

Only examinees who merit a grade of "C," or above, by their performance on such tests as the College may prescribe, may establish credit by examination. The faculty of the department concerned will determine the grade merited.

No more than fifteen semester hours of credit may be established by examination.

No credit may be established by examinations in upper level (300 and 400 series) courses.

No credit established by examination may apply toward the last thirty semester hours of degree requirements.

No credit may be established by examination in any course audited by the examinee.

No credit may be established by examination in any course in which the examinee has previously earned an unsatisfactory grade ("D," or below).

No credit may be established by examination which duplicates credit already earned by the examinee.

A charge of $5.00 per semester hour is made for testing in each course in which an examinee undertakes to establish credit.

Interested persons should consult the Dean of the College.

PARTIAL CREDIT FOR STUDENTS CALLED INTO MILITARY SERVICE

Students who are called into military service, or who voluntarily enter military service, during any semester or summer term, and who have completed satisfactorily at least one-half of said semester or term, will be allowed credit for part of the semester or term satisfactorily completed, with no fractional credit other than one-half being allowed.

CREDIT FOR PROFESSIONAL TRAINING

A student who has completed a minimum of 96 semester hours may, with the prior permission of the Committee on Academic Standing, enter an accredited professional school, and transfer back to West Virginia Wesleyan College enough credits in subjects approved by the Committee to complete the total number of credits required for a degree, — provided, he has met fully all other degree requirements.

A student who has completed a minimum of 96 semester hours may, with the prior permission of the Committee on Academic Standing, substitute successful completion of two and one-half years of training in an approved school of nursing for the additional number of credits required for a degree, — provided, she has met fully all other degree requirements.

A student who has completed a minimum of 96 semester hours may, with the prior permission of the Committee on Academic Standing, substitute successful completion of not less than one year of training in an approved school for medical technologists for the additional number of credits required for a degree, — provided, he has met fully all other degree requirements.

REGISTRATION AND CLASSIFICATION

TIME OF REGISTRATION

Freshmen entering in September are required to register during Freshman Week, September 10-14, 1954. All other students will register on Tuesday, September 14. All students entering at the beginning of the second semester, or at the opening of any summer term, will register on the day designated in the college calendar.

Except in cases of unavoidable delay, late registration is strongly discouraged. Students who enroll late will be required to reduce the number of hours for which they register, unless excused by the Committee on Admission and Academic Standing. A charge of $5.00 is made for late registration.

CHANGES IN REGISTRATION

Changes in registration can be made only with the approval of the Dean of the College, who in problematical cases will require the written consent of the student's counselor, and favorable action by the Committee on Academic Standing. In order to minimize changes, the student should consult his counselor, and, if necessary, the Dean of the College, before registering.

No changes in registration, involving addition of new courses, may be made after the second week of a semester, or after the first three days of a summer term (of six weeks). (See Withdrawal from Courses.)

A charge of $1.00 is made for each change in registration, except when required by the College.

PREREGISTRATION

Students in residence during any semester or summer term preregister for the ensuing semester and/or summer

term on dates designated in College calendar. Since it is highly important that preregistration be complete, in order that provision may be made for enough textbooks, laboratory materials, and sections of classes, students are required, in their own interest, to preregister. A charge of $5.00 is made for failure to preregister on dates designated.

STUDENT LOAD

The normal student load is sixteen credit hours per semester, or six hours per summer term (of six weeks). Students who are working part time, or who are failing to maintain a satisfactory scholastic record, are advised to carry loads lighter than the average. The Committee on Academic Standing may require the poor student to lighten his load. No student may register for more than sixteen credit hours in any one semester, or more than six in any one summer term (of six weeks), without the consent of this Committee. No student may register for more than eighteen credit hours in any one semester, or for more than seven in any one summer term (of six weeks).

WITHDRAWAL FROM COURSES

A student will be permitted to withdraw from a course only during the first half of a semester, or summer term, and only when the circumstances fully justify this procedure. In order to withdraw from a course, a student must obtain the written permission of the Dean of the College, who in problematical cases will require the written consent of the student's counselor, and favorable action by the Committee on Academic Standing.

If the student is doing passing work when he is granted permission to withdraw, WP (withdrew passing) is entered on his record. Otherwise, WF (withdrew failing) is entered.

If a student discontinues a course without permission of the Dean of the College, F (failure) is entered on his record.

COURSES REPEATED

A course in which the final grade is either a D or an F may be repeated with the permission of the Committee on Standing. Whenever a course is repeated, both the first grade received and the grade in the repeated course, with their related hours and quality points, shall remain a part of the permanent record. The total number of hours and points required for graduation will be increased accordingly.

CLASSIFICATION

When a student has met all entrance requirements, and has completed his registration, he becomes a freshman; when he has earned 32 semester hours of credit and 64 quality points, he becomes a sophomore; when he has earned 64 semester hours of credit and 128 quality points, he becomes a junior; and when he has earned 96 semester hours of credit and 192 quality points, he becomes a senior.

EXPLANATION OF GRADES AND QUALITY POINTS

Grades	*Explanation*	*Quality Points*
A	Excellent	4
B	Good	3
C	Average	2
D	Poor	1
F	Failure	0
I	Incomplete	0
WP	Withdrew Passing	0
WF	Withdrew Failing	0

Further explanation of I: If a student who has been making a passing grade can not complete his work in a course on account of illness or other sufficient reason, an I (incomplete) is entered temporarily on his record. A course recorded as incomplete must be completed within the first six weeks of the next semester, except when an

extension of time is granted by the Committee on Standing. Otherwise, the I automatically becomes F.

For purposes of this section, a summer session (of twelve weeks) will be treated as a semester.

SCHOLARSHIP QUOTIENT

The term "scholarship quotient" is used to indicate the ratio of the total of quality points earned by a student to the total of semester hours for which he has registered, excepting (1) courses from which he has withdrawn passing, and (2) courses in process.

AUDITORS

A person desiring to audit a course must obtain permission from the Dean of the College, register as an auditor, and pay the auditor's instructional charge for the course. (See Expenses.)

Auditors take no examinations, submit no written work, do no laboratory work, and receive no credit for courses audited. (See Credit by Examination.)

THE DEAN'S LIST

Superior scholarship is encouraged and recognized by the publication at the end of each semester of the Dean's List, which is constituted of students who have achieved a scholarship quotient of 3.35 or above, for the semester, while carrying a load of at least 12 semester hours.

For purposes of qualifying for the Dean's List, a summer session (of twelve weeks) will be treated as a semester.

THE WARNED LIST

A student who fails during any semester to maintain on total record a scholarship quotient of 2.00 or above, or fails to make passing grades (A, B, C, or D) in at least three-fourths of the hours for which he was registered,

will be placed on the warned list for the next semester in which he is in attendance, and notice thereof will be given to the student, his parents, and all members of the faculty and administration of the College.

While a student is on the warned list, he is ineligible for election or appointment to any office in any campus organization; for appointment to membership on any Community Council committee; for participation in any time-consuming extracurricular activity; for earning points toward the Wesleyan Key; or for receiving any grant in aid, workship, or scholarship.

For purposes of this section, a summer session (of twelve weeks) will be treated as a semester.

ACADEMIC PROBATION

A freshman who fails during any semester to maintain on total record a scholarship quotient of 1.50, or above, will be placed on academic probation. A sophomore who fails during any semester to maintain on total record a scholarship quotient of 1.75, or above will be placed on academic probation. A junior who fails during any semester to maintain on total record a scholarship quotient of 1.90, or above, will be placed on academic probation. A senior who fails during any semester to maintain on total record a scholarship quotient of 2.00, or above, will be placed on academic probation.

A student on academic probation who fails during one semester of probation to attain the scholarship quotient indicated above may be discontinued because of poor scholarship.

When a student is placed on academic probation, the following type of entry will be made on his permanent record:

Placed on academic probation. 1/28/50.

When a student on academic probation has attained the scholarship quotient indicated above, the following type of entry will be made on his permanent record:

Removed from academic probation. 5/30/50.

All students on academic probation are also on the Warned List, and are subject to all the ineligibilities listed thereunder. (See Warned List.)

For purposes of this section, a summer session (of twelve weeks) will be treated as a semester.

DISCIPLINARY PROBATION

A student who fails in any matter of conduct to conform to the ideals and standards the College seeks to maintain may be placed on disciplinary probation for a stated period; or, if his failure is judged to be sufficiently serious, may be required to withdraw.

A student on disciplinary probation who fails during the period of probation to conform to the ideals and standards the College seeks to maintain may be required to withdraw.

When a student is placed on disciplinary probation, the following type of entry will be made on his permanent record:

Placed on disciplinary probation. 11/7/49.

When the conduct of a student on disciplinary probation has been satisfactory throughout the period of probation, the following type of entry will be made on his permanent record:

Removed from disciplinary probation. 5/30/50.

A student on disciplinary probation is subject for the period of probation to all the ineligibilities listed under the Warned List. (See Warned List.)

REPORTS TO PARENTS

At the middle and end of each semester, and at the end of each summer term (of six weeks), the College sends a report of each student's grades and attendance record to

his parents. These reports are made in the interest of thorough understanding and unity of effort on the part of all persons interested in the education of each individual student.

ATTENDANCE REGULATIONS

1. Each student is responsible for attending classes, chapel, and assembly, under these regulations.

2. Missing any class or laboratory session, or major portion thereof, constitutes an absence. Missing sessions because of late registration constitutes absences.

3. Instructors will at the end of each week report all absences during that week, or the fact that there were no absences during that week, to the Committee on Attendance.

4. Each instructor shall, within the framework of these regulations, be responsible for handling problems of attendance.

5. When the total of a student's absences in any course exceeds the number of semester hours credit for which the student is registered in said course, said student shall become subject to suspension for negligence, at the discretion of the Committee on Academic Standing, unless excessive absences are found by the Committee on Attendance to have been due to extraordinary circumstances. (See Suspension for Negligence.)

When the total of a student's absences from lecture and/or laboratory sessions in any semester course exceeds three times the number of lecture and/or laboratory sessions per week for which said course is scheduled, said student shall be suspended from said course, unless absences are excused for extraordinary reasons by the Committee on Academic Standing. Students so suspended shall have F entered on their permanent records for the courses involved. The foregoing regulation, with "summer term" substituted for "semester", and with "three times" deleted, shall apply during summer sessions.

A student must, in order to qualify for a degree, earn academic credit, in excess of what would otherwise have been required, in the amount of one-fifth of a semester hour for each absence from Chapel in excess of two per semester, and for each absence from Assembly in excess of two per semester, except when such absences are found by the Committee on Attendance to have been due to extraordinary circumstances.

A student who, in the judgment of the Committee on Standing, has been grossly negligent of Chapel and Assembly attendance shall be subject to suspension therefor. (See Suspension for Negligence.)

The Committee on Attendance may, upon written request, excuse students in the following categories—and no others—from attending Chapel services and assemblies.

Students enrolled for less than ten semester hours.

Students enrolled for Directed Teaching, and assigned to teach public school classes that overlap chapel and assembly periods.

Commuting students who live more than two miles from the campus, and who have only a three-day (Monday, Wednesday, Friday) schedule.

Students who are regularly employed full time on Tuesday and Thursday mornings, and whose employers provide, on forms furnished by the College, duly notarized certification of such employment.

Either husband or wife, when both are enrolled as full-time students, (carrying study loads of ten or more semester hours), and when one of them must be at home at all times to care for (a) child(ren.)

Students who are members of non-Protestant faiths, upon certification of such membership by proper authorities —with the proviso that such membership shall not be a basis for being excused from attending assemblies.

6. If a student is absent from any examination, except a final examination, said student must obtain from the

Dean of the College permission to make up the examination, pay a service charge of $1.00 at the Business Office, present receipt therefor to the instructor, and then make up the examination as the instructor may direct. In the case of such absence from a final examination, the student must pay a service charge of $5.00 at the Business Office, and make up the examination as above.

SUSPENSION FOR NEGLIGENCE

Students who incur an excessively large number of absences from any course(s), or who are otherwise grossly negligent of their studies, may be suspended therefor from the course(s) involved, or from all courses, by the Committee on Academic Standing, and for a period to be fixed by said Committee; or may be permanently discontinued by said Committee. Students so suspended, or discontinued, shall have F entered on their permanent records for the courses involved. (See Attendance Regulations, 5.)

REQUIRED WITHDRAWAL

West Virginia Wesleyan College reserves the right to require any student whose scholarship proves unsatisfactory, or whose presence jeopardizes in any way the ideals and standards the College seeks to maintain, to withdraw.

SERVICES

HEALTH SERVICE

The College maintains a health service for its students, as outlined below.

As one of the requirements for admission to the College each applicant must present at, or prior to, registration a health certificate executed by a practicing physician. Forms provided by the College must be used for this purpose.

Subsequent to admission every student is required to take at least one thorough physical examination annually. These examinations are made by the College physician as a part of the health service provided by the College.

Chest X-rays are provided annually for all students, all staff members, and all employees, through the cooperation of the West Virginia Department of Health, and are required of all persons listed.

Private homes providing room and/or board for students must obtain approval by the Health Committee.

A competent dietitian plans all menus for College dining rooms.

A registered nurse, employed full time, keeps regular office hours at the College, inspects food service and housing facilities, and is subject to call as her services are needed.

The College physician keeps regular office hours at the College, and is subject to call as his services are needed. The College provides his services so far as minor and occasional illnesses are concerned.

The College maintains an infirmary, which is in charge of the College physician, the College nurse, and her assistants, and which is open while the College is in session. The College physician is at the infirmary daily for examination and treatment of patients.

The College does not assume responsibility for prolonged or specialized medical care or for hospitalization.

The Leonard Memorial and St. Joseph's hospitals, located in Buckhannon, afford good facilities and services.

TESTING SERVICE

In order to provide counselors, instructors, and the student himself with reliable information about his individual ability, aptitudes, achievement, progress, vocational interests, and significant personality traits, the College maintains a well planned testing program.

Entering freshmen, prior to registration, take the following standard tests: (1) American Council on Education Psychological Examination, (2) Cooperative English Test, (3) Cooperative General Achievement Tests (Social Studies, Natural Sciences, Mathematics), (4) Cooperative Contemporary Affairs Test for College Students, (5) Strong Vocational Interest Inventory, and (6) a personality inventory. The results of these tests are used in counseling, sectioning, etc., in an effort to adapt instruction to each student's individual needs.

Late in the sophomore year all students participate in the National College Sophomore Testing Program, sponsored by the American Council on Education. The results of these tests, together with results of other tests in special fields, afford an accurate indication of the student's relative standing among the college sophomores of the nation. Such information is invaluable to the student in choosing a field of concentration, and a vocation, in keeping with his particular pattern of competence.

Seniors approaching graduation take the Graduate Record Examination, consisting of (a) tests of general education, taken by all, in General Mathematics, Physical Science, Biological Science, Social Studies, Literature, Arts, Effectiveness of Expression, and Vocabulary, and (b) advanced tests taken by each student in his major field only. The results of these tests are very valuable to the student in helping him determine the position for which he is best suited, or decide whether he should undertake

graduate study. The Graduate Record Examination is required of applicants for admission to a large, and increasing, number of graduate schools.

Near the end of the senior year, each student must, as a requirement for graduation, pass a written comprehensive examination in his major field of concentration.

This testing program supplements the tests given by instructors in specific courses. It also provides factual data on the basis of which the College undertakes continuous evaluation and improvement of its curriculum.

COUNSELING SERVICE

Each student is advised during his freshman and sophomore years, or until he has selected a field of concentration, by a member of the Counseling Committee. After he has selected a field of concentration, his instructors in this field serve as his counselors.

It is the aim of counselors to study the individual student, and to assist him in his growth toward well integrated adulthood. On the basis of tests, interviews, and social contacts, counselors advise the student and assist him in the solution of his various problems.

PLACEMENT SERVICE

West Virginia Wesleyan College maintains a Placement Service to assist its students and alumni in finding employment. Persons who wish to avail themselves of this service should file with the College the information for which its forms provide. Address the Placement Service.

DEGREES AND REQUIREMENTS FOR GRADUATION

Students should be thoroughly familiar with, and must assume responsibility for meeting, degree requirements. A simplified list of all such requirements is available at the Office of the Dean of the College.

(This regulation also applies to requirements for teachers certificates, and other specialized curricula.)

DEGREES AWARDED

West Virginia Wesleyan College confers three academic degrees: Bachelor of Arts (upon graduates majoring in Bible, Education, English, Fine and Applied Arts, Foreign Language, History, Music, Philosophy, Political Science, Psychology, Religion, Religious Education, Sociology, or Speech and Dramatic Arts) ; Bachelor of Music Education (Music) ; and Bachelor of Science (upon graduates majoring in Astronomy, Geography and Geology; Biology; Business Administration; Chemistry; Economics; Home Economics; Library Science; Mathematics; Physics; or Physical Education.

SEMESTER HOURS

In order to qualify for a degree a student must earn a minimum of one hundred and twenty-eight semester hours of credit. A semester is a sixteen-week term. In general, a course meeting one hour per week for one semester carries a credit of one semester hour; a course meeting two hours per week for one semester, two semester hours; etc. At least forty-five semester hours of credit must be earned in upper level courses.

QUALITY POINTS

In order to qualify for a degree a student must maintain at least a C average, that is, he must maintain a minimum scholarship quotient of 2.00. (See Explanation of Grades and Quality Points, and Scholarship Quotient.) A minimum scholarship quotient of 2.00 must be maintained in upper level courses.

RESIDENCE

In order to qualify for a degree a student must spend at least thirty-two weeks, and earn at least thirty semester hours of credit and at least twice as many quality points as semester hours, in residence at West Virginia Wesleyan College. All classes meeting on the campus (as distinguished from extension classes) carry "in residence" credit.

The residence requirements must be met during the student's *last* thirty-two weeks in college prior to the awarding of his degree, unless waived for extraordinary reasons by the Committee on Academic Standing.

GENERAL EDUCATION

General education, as distinguished from specialized education, deals with the common knowledge, attitudes, skills, and habits essential for effective living as an individual, as a member of one's family, as a worker, and as a citizen. The general education program of West Virginia Wesleyan College is designed to help the student to understand the world in which he lives, to share our cultural heritage, to become acquainted with, and concerned about, the major problems of mankind, to develop and practice a Christian philosophy of life, — in brief, to become a well developed person, and an efficient and constructive member of society.

Stated otherwise, the purpose of general education in West Virginia Wesleyan College is to develop competent, cultured, Christian persons, who will, in turn, and with adequate specialized education, become good business men, good

engineers, good lawyers, good ministers, good parents, good physicians, good public officials, good scientists, good teachers, — the parts, of which, and by which, a good society must be constituted.

In order to provide all students an opportunity to acquire some substantial measure of general education, West Virginia Wesleyan College requires all candidates for degrees to earn the following credits:

Division I: Languages, Literature, and Arts

Art Appreciation (2) Introduction to Dramatic Arts (2) Introduction to Music (2)	(Any two)	4 sem. hours
Written and Spoken English		6 sem. hours
Fundamentals of Speech		4 sem. hours

Division II: Natural Sciences and Mathematics

Biological Science (6) General Biology (8) Physical Science (6) (a) Chemistry 101-102, or Mathematics 201-202, or Physics 201-202 and (b) one semester of another natural science (10-12)	(Any one)	6-12 sem. hours
Health Education		2 sem. hours
Physical Education		4 sem. hours

Division III: Bible, Philosophy, and Education

Bible	6 sem. hours
Orientation	1 sem. hours
Philosophy	3 sem. hours
Psychology	3 sem. hours

Division IV: Social Sciences

Development of Social Institutions (6) Fundamental Social Problems (6) (a) Economics 101-102, or History 101-102, or Political Science 201-202, or Sociology 201-202, and (b) one semester of another course listed under (a) (9)	(Any one)	6-9 sem. hours

As a rule, these courses in general education should be completed during the freshman and sophomore years.

It is important to note that opportunities for acquiring general education at West Virginia Wesleyan College are by no means restricted to the courses listed above. Many additional courses afford the interested student such opportunities.

SPECIALIZED EDUCATION

In order to provide all students an opportunity to acquire some degree of specialized education, as vocational or preprofessional preparation, West Virginia Wesleyan College requires each candidate for a degree to select at, or before, the beginning of his junior year a (departmental or interdepartmental) major and a minor.

In his major area of specialization the student must earn a minimum of twenty-four semester hours credit and twice as many quality points as semester hours. At least twelve of the semester hours and twice as many quality points as semester hours must be earned in upper level courses.

In his minor area of specialization the student must earn a minimum of fifteen semester hours of credit and twice as many quality points as semester hours.

No more than forty semester hours of credit in any one department may be counted toward the one hundred and twenty-eight hours required for graduation, — with the exception that candidates for the degree of Bachelor of Music Education may count toward degree requirements a maximum of sixty-eight semester hours in Music, and candidates for the degree of Bachelor of Arts with a major in Music may count toward degree requirements a maximum of fifty semester hours of Music.

COMPREHENSIVE EXAMINATIONS

In order to quality for a degree a student must pass a written comprehensive examination in his major area of specialization. (See Testing Program.)

DEGREES WITH DISTINCTION

Students who complete all degree requirements with a scholarship quotient of 3.50 to 3.74 will be graduated *cum laude;* those who complete all such requirements with a scholarship quotient of 3.75 to 3.99 will be graduated *magna cum laude;* and those who complete all such requirements with a scholarship quotient of 4.00 will be graduated *summa cum laude,* — provided, that the scholarship quotient in each instance shall be, in the judgment of the Committee on Academic Standing, corroborated by scores on National Sophomore Testing Program and/or the Graduate Record Examination. Degrees with distinction must be approved by the Committee on Academic Standing.

APPLICATION FOR DEGREE

At least twelve months prior to anticipated completion of degree requirements, each candidate for a degree should file at the Office of the Dean of the College an application for a degree. Failure to do so may result in postponement of graduation.

As a part of the educational program, athletics at West Virginia Wesleyan College, both intercollegiate and intramural, are controlled and supervised by the President and the faculty, and are operated in the interest of the students who participate.

As a member of the North Central Association of Colleges and Secondary Schools, West Virginia Wesleyan College observes the 1952 Revised Athletic Policy of the Commission on Colleges and Universities. (Copies available upon request.) Likewise, as a member of the West Virginia Intercollegiate Athletic Conference, West Virginia Wesleyan College observes the constitution, by-laws, and eligibility rules thereof. In order to be eligible for participation in intercollegiate athletics, students at West Virginia Wesleyan College must meet the eligibility requirements of the West Virginia Intercollegiate Athletic Conference, must not appear on the Warned List, and must not be on probation. (See Warned List, Academic Probation, Disciplinary Probation.)

Within the framework of the policy outlined above, West Virginia Wesleyan College participates in intercollegiate basketball, baseball, football, golf, tennis, and track.

A varied intramural program of athletics, sponsored by the Community Council, and organized and supervised by the members of the faculty of the Department of Physical Education, is available to all students who will participate. (See Community Council.)

An applicant for admission must submit with his request for a reservation and his deposit a complete application for admission. This deposit will be held as a security deposit until termination of residence, may be used as required deposit for renewal of reservation from year to year, and will be refunded at termination of residence, upon written request therefor, less deductions for any damage done college property. In case of cancellation of a reservation the deposit will be refunded on condition that the student gives Business Office written notification of surrender of reservations by July 1 for the ensuing autumn semester, by December 1 for the ensuing winter semester, or by April 1 for the ensuing summer session.

College women, and freshman men, not living at home are required to live in College residence halls. Under very extraordinary circumstances the Administration Committee may authorize an exception to this rule.

MATRICULATION

Each applicant for admission is required to pay a matriculation charge of $5.00. This payment will not under any circumstances be refunded.

FAILURE TO PREREGISTER

One transcript of a student's record is furnished free. A charge of $1.00, payable in advance, is made for each additional transcript. An application for a teacher's certificate completed by the College constitutes a transcript. This charge is doubled for transcripts that must be prepared on short notice, thus requiring typing or an extra photostatic operation.

TERMS OF PAYMENT

As a means of providing education in punctuality and responsibility in business matters, the College deals directly with students rather than with their parents.

All charges are due and payable at registration, and students should come prepared to meet them at that time. Exceptions are granted only when acceptable proof of need has been established at the Office of the Treasurer. In such cases at least one-fourth of the total charges are to be paid at registration, and the balance in equal payments on, or before, the tenth of each month for not more than three months. A deferred payment charge of five dollars, payable at the time of registration, is made for the privilege of postponing any payments whatsoever beyond the day of registration.

Students are not eligible to take final examinations, to receive any transcripts of credits, or to be graduated until all charges are paid in full.

REFUNDS

In view of the fact that charges paid by students cover much less than the total operating cost of the College, the remainder being derived from endowment, from contributions by churches, and from individual benefactions, refunds are subject to the following regulations:

1. A student will receive no refund on account of course changes made after the first two weeks of a semester, or the first three days of a summer term.

2. A student withdrawing from the College before the middle of a semester, or summer term, because of illness, or for other reasons considered adequate by the College, will receive a refund of one-half the instructional charge for the semester, or summer term. A student withdrawing for above reasons after the middle of the semester, or summer term, will receive no refund of instructional charges.

3. A student withdrawing from the College during a semester, or summer term, in consequence of being called into military service, or of entering military service voluntarily, will receive a refund of instructional charges proportionate to the part of the semester, or summer term, remaining after his withdrawal.

4. A student withdrawing from the College during a semester, or summer term, for any reason other than those stated in 2 and 3 above will receive no refund of instructional charges.

5. A student withdrawing from the College during a semester, or summer term, for any reason will be refunded a part of his charges for room and board proportionate to the number of whole weeks of the semester, or summer term, remaining after his withdrawal, — provided, he gives the Treasurer due notice in writing of his intention to withdraw.

STUDENT AID

NATIONAL METHODIST SCHOLARSHIPS

The Board of Education of the Methodist Church will award annually to students in West Virginia Wesleyan College a limited number of National Methodist Scholarships, probably not to exceed five, amounting to full instructional charge ($400.00).

In order to qualify for a National Methodist Scholarship, a student must meet the general requirements for admission to the College, must have been a member of the Methodist Church for at least one year prior to date of application, must be definitely outstanding in Christian motive and purpose, and must rank high in scholarship,—not below a "B" average, not below the upper 15% of his class (senior in high school, or freshman, sophomore, or junior in college), and not below other qualified students. Results of standard tests will be utilized in establishing scholarship rank.

The National Methodist Scholarship will be applied as credit against instructional charges only, and will be distributed as follows:

GRANTS IN AID

West Virginia Wesleyan College awards annually a limited number of grants in aid, ranging from $50.00 to $150.00 each. These awards are made on the basis of character, scholarship, and need, and are applicable against college charges only, one half each semester.

Students awarded grants in aid are required to carry a study load of at least ten credit hours each semester.

A grant in aid will lapse at the end of any semester for which the awardee fails to maintain a minimum scholarship average of C.

Grants in aid are administered by the Committee on Student Aid.

SOURCES OF FUNDS FOR STUDENT AID

Funds for scholarships and grants in aid are derived in part from the income from endowments established for this purpose by alumni and other benefactors of the College,

and in part from current contributions for this purpose by persons interested in aiding highly deserving young men and women in obtaining a college education under Christian auspices.

WORKSHIPS

West Virginia Wesleyan College awards semester by semester a limited number of workships to students well qualified to serve as assistants in laboratories, library, and offices; as assistant hostesses in residence halls; as waiters in dining halls; etc.

Workships vary in amount with the character of the work assigned, and with the amount of time required.

Students awarded workships are required to carry a study load of at least ten credit hours each semester, to maintain semester by semester a minimum scholarship average of C, and to perform satisfactorily (promptly, efficiently, and courteously) tasks assigned.

Workships are administered by the Committee on Student Aid.

FIELD WORK IN CHURCHES

A few well qualified students may earn credit toward their instructional charges by performing satisfactorily during the summer vacation such field work in the churches of the West Virginia Annual Conference as may be approved by the faculty of Division III and the Executive Secretary of the Conference Board of Education. Remuneration for such work is $25.00 per week, for a period not to exceed six weeks in any one year. The amount earned is divided equally between the first and second semesters.

LOANS

A number of loan funds, including the Methodist Student Loan Fund, are available to students in West Virginia Wesleyan College. Loans are made to students of good

character who maintain satisfactory scholarship, provide required recommendations, establish financial responsibility, and sign promissory notes obligating themselves to repayment of principal with interest within a specified time.

METHODIST STUDENT LOAN FUND. The Board of Education of the Methodist Church makes loans to Methodist students. These loans are not available until after the student has completed one semester of college work.

Qualified freshmen may borrow as much as $200.00 during their second semester; sophomores, as much as $125.00 per semester; juniors, $150.00 per semester; and seniors, $175.00 per semester. However, no student may borrow a total of more than $1,000.00.

THE FRANCIS ASBURY EDUCATIONAL FUND. The Board of Trustees of the Francis Asbury Educational Fund of the West Virginia Annual Conference of the Methodist Church makes loans to Methodist students, in amounts not to exceed $250.00 per school year, with priority given applicants preparing for the ministry or some other form of full-time Christian service.

THE CLAUDE WORTHINGTON BENEDUM LOAN FUND. This Fund, created by a grant from The Claude Worthington Benedum Foundation, is available to students who are *bona fide* residents of West Virginia, and who meet the conditions stated above.

PICKETT AND HATCHER EDUCATIONAL FUND. The Board of Trustees of the Pickett and Hatcher Educational Fund, created by Claud A. Hatcher, of Columbus, Georgia, makes loans to deserving and responsible students.

ENDOWED LOAN FUNDS. The income from certain endowments is available to deserving and responsible students.

All loans, except those made from the Methodist Student Loan Fund, the Francis Asbury Educational Fund, and the Pickett and Hatcher Educational Fund, must be approved by the Loan Committee.

EMPLOYMENT

The city of Buckhannon affords students a limited number of opportunities for part time employment.

APPLICATIONS FOR AID

Applications for workships, grants in aid, and loans must be made on forms provided by the College. Only students in residence, former students, and persons submitting applications for admission may file applications for aid.

No student is eligible for more than one scholarship, workship, or grant in aid, with the exception that a student receiving any of these forms of aid may also apply for a Methodist student loan, or a loan from either the Francis Asbury Educational Fund or the Pickett and Hatcher Educational Fund.

Inquiries regarding all forms of aid should be addressed to the Committee on Student Aid.

SUMMER SESSION

West Virginia Wesleyan College conducts annually a twelve-week summer session, consisting of two terms of six weeks each. The summer session is of special interest to (1) entering freshmen interested in an accelerated program (See Accelerated Program) (2) other students pursuing an accelerated program, (3) teachers in service in public schools, who are interested in raising their level of certification or in renewing present certificates, and (4) veterans, whose studies have been interrupted or delayed by military service.

The first of the two summer terms for 1954 begins on May 31, and ends on July 9; the second begins on July 12, and ends on August 20. Students may attend either term, or both. (See Student Load.)

High School graduates intending to enter college in 1954 are advised to enter at the beginning of the first summer term. Those who enter on May 31, 1954, and pursue successfully the accelerated program will be graduated in January or May, 1957, depending upon the degree of acceleration at which each can successfully pursue his studies. If the same persons should enter college in September, 1954, and omit summer sessions, they could not be graduated before May, 1958. It is, therefore, possible to save from one year to one and one-half years in completing one's college course by taking full advantage of summer sessions, and at the same time to effect some reduction in the total cost of one's college course.

Veterans of World War II were required to begin their studies under the Servicemen's Readjustment Act by July 25, 1951, and are required to remain in school continuously thereafter, or lose all educational benefits provided under said Act. There are two groups who constitute exceptions to this regulation—namely, (1) those who, having begun their studies under said Act, interrupt their studies to re-

enter the armed services; and (2) those who are teachers, and who spend their summers completing studies leading to a degree.

Veterans of the Korean conflict, if separated from service before August 20, 1952, are required to begin their studies under the Veterans' Readjustment Assistance Act of 1952 by August 20, 1954, or lose all educational benefits provided under said Act. Veterans separated from service on, or after, August 20, 1952 must begin their studies within two years of date of separation, or lose all educational benefits under said Act.

Summer session courses are taught by regular members of the College faculty, and are in all respects equivalent in scope and thoroughness to courses offered on the usual semester basis.

The courses offered in the summer session are selected and arranged to meet the needs of entering freshmen, students pursuing the accelerated program, teachers in service, and veterans.

College residence halls remain open for the summer session. (See Buildings and Equipment.)

Charges for instruction, room, board, etc. during summer session are listed elsewhere in this *Bulletin.* (See Expenses.)

Schedules for the 1954 summer session appear on the pages that follow.

COURSE NUMBERS

Courses for freshmen (the 100 series) and sophomores (the 200 series) constitute the lower level of the curriculum. Almost all general education requirements consist of lower level courses, which should be completed, as far as possible, by the end of the sophomore year. (See General Education.)

Courses for juniors (the 300 series) and seniors (the 400 series) constitute the upper level of the curriculum. In order to qualify for a degree, a student must earn at

least forty-five semester hours of credit and at least twice as many quality points as semester hours in upper level courses. In his major field the student must earn at least twelve semester hours of credit and at least twice as many quality points as semester hours in upper level courses.

Courses bearing odd numbers are usually given during the first semester, and those bearing even numbers during the second semester. Whenever a course bearing an odd number is given in the second semester, or a course bearing an even number in the first semester, an "r" is added to the number of the course on class schedules and permanent records.

In general, freshmen should enroll for courses in the 100 series, sophomores for courses in the 200 series, etc. Freshmen are ineligible for all courses in the 300 and 400 series, and for most courses in the 200 series. Sophomores are ineligible for all courses in the 400 series.

CLASS SIZE

In order to guard against economic inefficiency on the one hand, and ineffective instruction on the other, no classes in which registration is less than five will be taught, and classes in which registration exceeds forty will, if possible, be divided into sections. Under unusual circumstances the Curriculum Committee may permit exceptions.

PREPROFESSIONAL AND VOCATIONAL COURSES

West Virginia Wesleyan College provides preprofessional education for students of Business Administration, Dentistry, Dietetics, Education, Engineering, Forestry, Journalism, Law, Library Science, Medical Technology, Medicine, Nursing, Occupational Therapy, Optometry, Pharmacy, Physical Therapy, Social Work, and Religion. (See Credit for Professional Training.)

In three fields, — business administration, the ministry, and teaching, — the College provides enough professional training to enable the graduate to enter his profession, although in the case of candidates for the ministry graduate study is strongly urged.

A number of three-year courses, which can often be completed in two calendar years by moderate acceleration, will meet the degree requirements of West Virginia Wesleyan College when supplemented with at least one year of successful study in an approved professional school. (See Credit for Professional Training.)

OUTLINES OF COURSES

In order to provide students a plan of studies required, or recommended, in preparation for various professions and vocations, a number of outlines are included in the pages that follow.

These outlines are not to be regarded as rigid prescriptions, admitting of no exceptions or modifications. With faculty counsel, some departures, or rearrangements, will occasionally be wise.

In the case of outlines that do not provide fully for major and minor concentrations, electives should be used to complete concentration requirements. (See Specialized Education.) Likewise, some electives may be needed to complete requirements in general education. (See General Education.)
